

EVALUATION OF CHIEF FINANCIAL OFFICER

The Board of Education shall evaluate the Chief Financial Officer, in writing, at least once per school year. The basis for this evaluation shall be, but not be limited to, the Board adopted job description of the Chief Financial Officer and the annual goals of the Chief Financial Officer. The evaluation shall be conducted by a mutually agreed upon process.

The annual evaluation may be considered by the Board of Education in deciding whether to renew the Chief Financial Officer's contract; however, the establishment of this evaluation procedure does not create an expectancy of continued employment. Nothing contained herein shall prevent the Board of Education from making the final determination regarding the renewal/nonrenewal of the Chief Financial Officer's contract.
